

PRAYER OF UNITY (Stand in Circle)

**Evoking the presence of the Great Compassion,
let us fill our hearts with our own compassion—
towards ourselves and towards all living beings.**

**May all living beings realize
that they are brothers and sisters,
all nourished from the same source of life.**

**May we ourselves cease to be the cause of suffering to each
other.**

**May we live in a way which will not deprive other beings
of air water, food, shelter, or the chance to live.**

**With humility, with awareness of the existence of life,
and of the sufferings that are going on around us,
let us pray for the establishment of peace
in our hearts and on earth. Amen. Thich Nhat Hanh**

CREED

**We believe in God, the power of life, love and being
that flows through the universe.**

**We believe in Jesus, who revealed the good news
of our connectedness with God and with all people,
who was compassionate and stood up for justice,
even if this meant losing his life,
who gave people an experience of God
by demonstrating this power of life, love and being.
Through his words and example,
we believe that we too have this power
and the capacity to give people an experience of God
by living life fully,
loving with my whole heart,
and striving to be all we can be.
we believe in the communion of saints,
who are a people walking together,
engaged in the search for meaning
and the quest to be connected
with the Source and Sustainer of all that exists.**
